

LightRail 5.0 Fore and Aft Cross Bar Mounting Kit

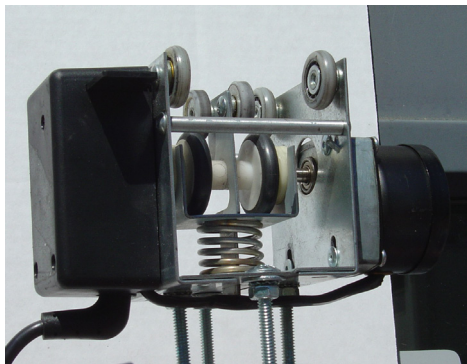

Diagram 1

Step One: Install the enclosed $\frac{1}{4}$ " carriage screws in the 2 square holes on the bottom of the Drive Unit as in Diagram 1 (Close Up Diagram 1-A). Secure them with the flat washer, star washer and $\frac{1}{4}$ " nut.

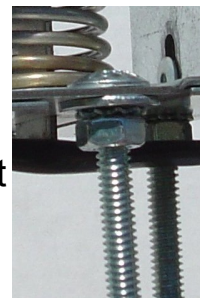

Diagram 1-A

Step Two: Install the Cross Bar as in Diagram 2. Secure it using the two $\frac{1}{4}$ " wing nuts included with your LightRail 5.0.
